

We will not stand down tab. G

G C G D

We we will not stand down

G C G D

Till the earth is safe and the climate is in hand

G C G D

We we will not stand down

G C G D

While the forests and the fields are turning into sand

G C C D

Our children they will look out on a dying desert land

G C C D

Gone are the vines and fig-trees starvation stalks the land

Em C

What you gonna say when your children say

Am7 D

Hey papa where were you?

G C G D

We we will not stand down

G C G D

Children forcing every government to act and make a plan

G C G D

We we will not stand down

G C G D

People standing on the line till the carbon fuels are banned

G C C D

Stop that digging leave it in the ground stop hey whats that sound

G C C D

Its the sound of a million people marching on higher ground

Em C

What you gonna say when your children say

Am7 D

Hey mama where were you?

G C G D

We we will not stand down

G C G D

Till the earth is safe and the climate is in hand

G C G D

We we will not stand down

G C G D

While the forests and the fields are turning into sand

G C G D

We we will not stand down

G C G D

We we will not stand down
