

We will not stand down tab. C

C F C G

We we will not stand down

C F C G

Till the earth is safe and the climate is in hand

C F C G

We we will not stand down

C F C G

While the forests and the fields are turning into sand

C F F G

Our children they will look out on a dying desert land

C F F G

Gone are the vines and fig-trees starvation stalks the land

Am F

What you gonna say when your children say

Dm7 G

Hey papa where were you?

C F C G

We we will not stand down

C F C G

Children forcing every government to act and make a plan

C F C G

We we will not stand down

C F C G

People standing on the line till the carbon fuels are banned

C F F G

Stop that digging leave it in the ground stop hey whats that sound

C F F G

Its the sound of a million people marching on higher ground

Am F

What you gonna say when your children say

Dm7 G

Hey mama where were you?

C F C G

We we will not stand down

C F C G

Till the earth is safe and the climate is in hand

C F C G

We we will not stand down

C F C G

While the forests and the fields are turning into sand

C F C G

We we will not stand down

C F C G

We we will not stand down
